a) It will be found from the opinion expressed by Mr. L. W. H. that no law in aid of a local administration can be levied from Railways administrations unless the Govt. declare by notification that the Railway administration is liable to pay such tax. The Railway ~~provisions~~ are under the control of the M.S.M. authorities. and the Agent has said that the Govt. of India have decided that the railway is not liable to pay such a tax. Hence the M.C. Council may not levy a Municipal tax. ~~But~~ ^{the Agent has said} the M.C. Council may refuse to render the Municipal services required of the Council unless payment is made. and if the Company thinks that they require such services they will then think of coming to some arrangement as in the Bangalore City Station.

10) The Municipality may perhaps be apprised of the ~~position~~ ^{circumstances} with a view to advising the M.S.M. authorities to pay the taxes demanded as in the Bangalore City Station, to avoid future complications.

Sir,

In submitting herewith a copy of the Council's Resolution passed in their meeting held on the 17th April 1924 in the matter of levying Municipal tax on the Railway Quarters, I have the honor to state that the Agent of the M. & S.M. Railways states in his letter No.M.331/20 dated 11-5-1923 that the ~~Railway is not liable~~ question of this Railway's liability to Municipal taxes within Mysore Territory has been investigated by the Government of India and that it has been decided that the Railway is not liable to such taxes.

But on a reference to the President, Bangalore Municipality, it is learnt that the Bangalore Municipal Council have been levying taxes on such quarters. It appears to me that this Municipal Council is also justified in levying taxes on the Railway quarters as they are situated within the Municipal limit and as the Municipality has extended all conveniences in respect

respect of light, water-supply &c to the quarters.

I, therefore request you to kindly move the Government to issue instructions in the matter for the guidance of the Municipal Council.

A copy of the letter received from the Agent of the Madras M. & S.M. Railways together with a copy of Bangalore Municipal President's letter on the subject is also herewith submitted for kind perusal.

I have the honor to be,
